Everything you've been waiting for.

Always ready to connect.

Combine connectivity and creativity in this innovative range's huge array of flexible printing options including Mopria, Google Cloud Print and AirPrint, along with WiFi Direct and NFC. Our apps enable you to print direct from your mobile device. You can also scan from MFP to mobile.

Intuitive technology. So you can do more.

The 4.3 inch touch panel on the SP C262SFNw enables you to extend functionality and seamlessly process more complex jobs. It is easy to use, and the icon-based design allows you to add job specific shortcuts, so you can improve workflow and output.

Unique innovation saves you time.

The Single Pass Document Feeder is a unique offering in this class, providing several advantages. With one quick pass you can scan double-sided documents for copying, faxing and digital storage, so you boost efficiency. You also reduce errors, avoid damaging originals, and save on paper usage.

Always there. Always reliable.

Reliability is built into every Ricoh device, and this range is no different. Enabled and empowered by generations of experience, you can count on them to deliver high-quality colour outputs time after time, so you can get on with developing and building your business.
