

# Next generation smart operation panel

## Introducing Ricoh's new smart operation panel

The new smart operation panel is a stylish alternative to Ricoh's current user interface. The new UI offers fast and simple navigation with the ability to customise the layout to best suit your needs.

- **drag & drop icons**
- **page scrolling with flick operation**
- **toner level indication**
- **smooth and comfortable operability**
- **full browser: browse the internet from the MFP**
- **choose your own background**

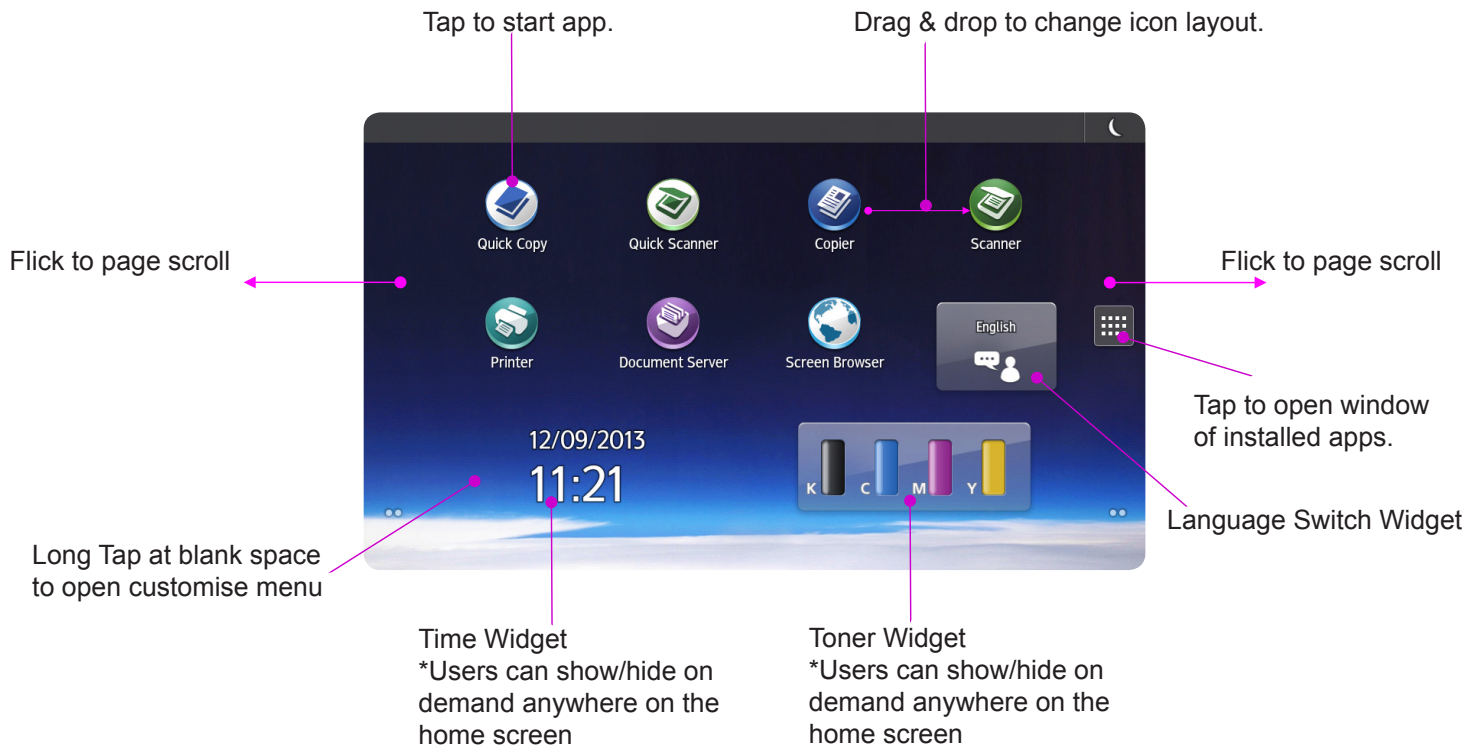

*personalisation:  
adjustable wallpapers*

# Next generation smart operation panel
