# A MULTIFUNCTIONAL FOR EVERYONE IN THE OFFICE

The FS-C1020MFP is a highly efficient network device provides easy access to all print, copy, scan and fax functions. So whether you are looking for a personal all-rounder or a strong team player, this compact multifunctional device has the speed and output quality to handle all of your day-to-day document processing needs.

## PRINT – CLEAR COLOURS FOR YOUR DOCUMENTS

Easily integrated into your network, the FS-C1020MFP is the ideal desktop printer. With a printing speed of up to 20 pages per minute in mono and colour and a time to first print of 14 seconds, it can easily handle your daily office document workload. The optional paper feeder can increase paper capacity up to 750 sheets, so that even high volume jobs can be printed without interruptions. Double-sided printing as standard can help to lower your paper costs through cost-saving double-sided printing.

## PRODUCT HIGHLIGHTS:

- ▶ Up to 20 pages per minute in mono and colour
- ▶ Time to first print 14 seconds or less
- ▶ Fax functionality as standard
- ▶ Duplex unit for cost-saving double-sided printing as standard
- ▶ 35-sheet document processor as standard
- ▶ Integral network interface
- ▶ Optional paper feeder for up to 750 sheets
- ▶ Very compact and user-friendly design

## COPY – PROFESSIONAL FUNCTIONALITY FOR EVERYONE

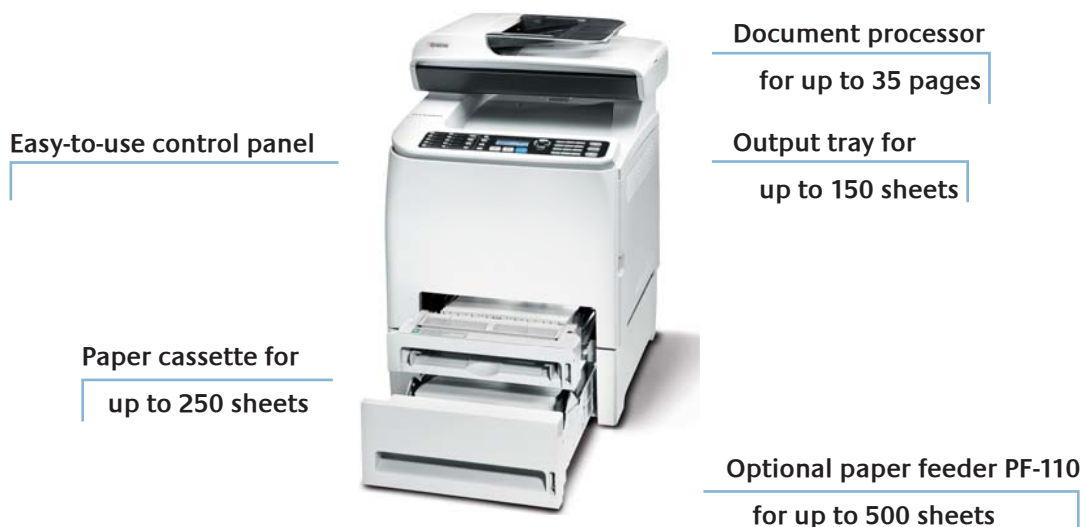

The FS-C1020MFP provides quick and easy access to all of the copy functions a business needs and more. This colour multifunctional delivers business quality graphics and precise, easy-to-read copies. Oil-free toner ensures good image quality with no glossy reflections or bleeding. The FS-C1020MFP is extremely economical and for further savings the 2-in-1 copy function enables you to combine two originals on one sheet of paper.

## SCAN – DIGITAL CONVENIENCE AT YOUR FINGERTIPS

The FS-C1020MFP allows you to use the full potential of your electronic data systems by processing and archiving paper documents electronically. The high colour scan resolution provides all the detail and precision that you need. All scans can be sent directly to any PC or server or attached directly to an e-mail, either as a PDF, JPG or TIFF file.

## FAX – WHEN A DIGITAL FILE IS NOT ENOUGH

The FS-C1020MFP fax uses the Super G3 mode for faster transmission, sending out an A4 document in only 3 seconds. With up to 20 one-touch address entries and broadcasting for up to 100 transmissions from one original document, this multifunctional gets the information out fast.

## COUNT ON US.

As one of the leading manufacturers of office document solutions, KYOCERA is committed to delivering consistently high quality products and services. We not only provide you with the most reliable hardware and software, but also offer exceptional service, comprehensive consulting and tailor-made financing. Whatever your needs – you can count on us. Want to know more? Simply get in touch with your local KYOCERA Business Partner.

### Warm-up time

Approx. 48 seconds or less from power on

### Dimensions (W x D x H)

420 mm x 493 mm x 476 mm

### Weight

Approx. 30 kg

### Power source

220/240 V, 50/60 Hz

### Power consumption

Max. power consumption: 1,300 W

Sleep mode: 25 W

### Noise

Ready mode: 34 dB(A)

Copy/print mode: 58 dB(A)

## Paper handling

All paper capacities quoted are based on a paper thickness of max. 0.11 mm. Please use paper recommended by KYOCERA under normal environmental conditions.

### Input capacity

250-sheet universal paper feeder, 60–160 g/m<sup>2</sup>; A4, A5, A6

1-sheet bypass tray, 60–160 g/m<sup>2</sup>; A4, A5, A6  
500-sheet optional paper feeder, 60–105 g/m<sup>2</sup>; A4  
Max. input capacity incl. options: 751 sheets

### Duplex unit

Duplex as standard supports A4–A5, 60–160 g/m<sup>2</sup>

### Document processor

Up to 35 sheets, 52–105 g/m<sup>2</sup>, from 140 to 216 mm width; from 140 to 356 mm length

### Output capacity

150 sheet face-down

## Print functions

### Controller

ARM/400 MHz

### Standard interfaces

USB 2.0, Ethernet 10/100Base-TX

### First printout time

14 seconds

## Operating systems

Windows® 2000/XP/Server 2003/Vista/Server 2008, Mac OS X Version 10.2.8–10.5. (native mode)

## Emulations

PostScript®3™

PCL 6/5c

## Fonts
